Newsletter 2018

Graduate school  
Life Science Munich

The LSM News is a newsletter written by the LSM council for the LSM PhD students. It contains news from the faculty and from the LSM student council.

## Introducing the LSM Student Council

In this edition:

- Introducing the LSM Student Council
- Welcome year 2018 candidates
- Organized by us
- LSM Hackathon
- Twitter/Facebook
- LSM Get-together

We are a team of LSM students that represents all graduate students within the LSM graduate school.

Every year, the LSM student council is elected by you at the Annual General Meeting (AGM).

Our work is to form a communication bridge between the LSM and the students.

We will keep you updated with information from the LSM and the faculty and we will remind

you of important deadlines. Moreover, we work on improving the curriculum and we organize social events to bring LSM students together.

We keep in touch with you by Twitter, Facebook, our newsletter and on our social activities.

All LSM students are welcome to join the council. We meet every month. If you are interested, feel free to join our meetings. For more information contact: [moneer@bio.lmu.de](mailto:moneer@bio.lmu.de)

## Welcome and good luck

The graduate school LSM counts 58 active students, 64% is female and 36% is male. A total of 20 nationalities are represented by 53% of the LSM students. These numbers have increased steadily over the years. This year we would like to welcome the candidates of 2018 and wish them Good Luck with their presentations and interviews.

## Organized by us

The LSM Student Council regularly organises events and activities for LSM students. And form a good oppurtunity to get to know other LSM students and share experiences. Some examples of what is organised by us:

- Summer BBQ

- Get together  
Going for dinner once a month.

- Xletix Challenge

- Alpine Hiking Trip

- Skiing day

## LSM Hackathon 2019

A sub-committee of the LSM Council is planning on organizing a Hackathon for the LSM students in 2019.

We are still looking for enthusiastic students who can help in the organization. For more information, send an email to [moneer@bio.lmu.de](mailto:moneer@bio.lmu.de)
