

LSM News

LSM News is a newsletter written by the LSM student council for our LSM students. It contains information from both the faculty and the LSM student body.

In this newsletter:

- LSM Mentoring Network
- LSM Xmas event
- Poster session for our new internal candidates
- Special lecture: Thermofisher
- To shortly remind you...

LSM Retreat 2019

- Dates : 30th April to 3rd May, 2019
- Venue : Studienzentrum Josefstal, above lake Spitzingsee.
- Topic for this retreat is "Pure Science"

LSM Mentoring Network

We are happy to announce our new and supportive LSM mentoring network for all LSM students. The network is supervised by two mentors, Sebnem Akbas and Annabel Mechela who will be available for all your questions and concerns around your doctorate.

LSM students who want to join our mentoring team can participate first in the Peer-to-Peer-Mentoring Program and obtain relevant experience and certification. Moreover, students can also participate in counseling events organized by Intercultural Communication Department in LMU.

For more information, feel free to contact Sebnem and Annabel by email: sebnem.akbas@campus.lmu.de, annabel.mechela@campus.lmu.de respectively.

Xmas Event 2018

This year, we will have our Christmas event on the 12th of December in the Cadu (www.cadu.de). Some of the expenses will be covered by the LSM (Thanks, Francisca!).

If time allows, we could also go to a Christmas market afterwards. The Tollwood or the Märchenbazar are open until at least 23:00h.

Don't forget to sign in the doodle so we can make a proper reservation:
<https://doodle.com/poll/kkk27udhgwmyxxa9>

We would be very happy to see you all.

Poster session

The LSM is proud to announce that there are new enthusiastic internal students who have recently joined the LSM. They will present their projects during the poster session on Jan. 9th, 2019, at 15:00h near the library entrance in E-building, Biocenter.

Thermofisher

On February 6th, 2019 at 17:00h in B01. 019 a special lecture will be given by Thermofisher representatives about "Careers options outside of Academia".

LSM Student Council

Members of the LSM Student Council meet once every month. These meetings are public and every LSM student can join them. If you are interested in the student council you are welcome to join us. Our next meeting will be on Dec. 12th 2018 at 13:00h. For more information contact: moneer@bio.lmu.de

Publication Prize

During the open house day, 12th of July, Yu-Kai Chao was announced winner of our LSM Publication Prize for his paper on: "TPC2 polymorphisms associated with a hair pigmentation phenotype in humans result in gain of channel function by independent mechanisms." PNAS. 2017 Oct 10;114(41):E8595-E8602"

The next deadline for submitting is 31st March, 2019 (see details, www.lsm.bio.lmu.de/doctors-students/publications/index.html)

To shortly remind you...

The LSM Teaching Certificate is for tracking the time you use for teaching during the doctorate. It needs to be signed by your supervisor and counts as 2 ECTS.

Two laptops are available for borrowing with software like Matlab and R. For more information contact Francisca.

The Jungle Book is available at the LSM website with tips and tricks about living and surviving in Munich.
